## CAREER OBJECTIVE

- A trainer with the ability to think through a problem coupled with the confidence to make ideas heard. I am currently looking for a job opportunity that will allow me to work alongside an expert team of talented individual's.

## EXPERIENCE

### Senior Coding Mentor

#### FACEPrep

Jun 2021 – Aug 2024

Coimbatore, India

- 3 years of experience in teaching college students and individuals transitioning to the IT industry.
- I specialize in Data Structures and Algorithms (DSA) using Java, Python, C, and C++, as well as web technologies such as HTML, CSS, JavaScript, and MySQL.
- In addition, I have developed DSA content, created tests for colleges, and worked with the hiring team, where I was responsible for setting interview questions and conducting interviews.
- I have also managed a team, ensuring smooth coordination and effective results.
- I have handled classes in both B2B and B2C.
- Through FACEPrep, I have trained students from reputed universities and colleges like VIT, SRM, Sathyabama, and Chitkara.

## ACHIEVEMENTS

**FACEPrep**  
Created a course from scratch as well as trained students in addition to that, trained trainers to handle the classes of UPP, which is a CRT course

**FACEPrep**
